Spotlight on Scholarship Certificate Winners

"Spotlight on Scholarship" is a year-round recognition program co-sponsored by the Minnesota State High School League and Jostens. The program recognizes students for outstanding academic performance.

Through the Spotlight on Scholarship certificate program, the League and Jostens provide gold and silver certificates to every athlete and fine arts participant in the state who has a "B" or better grade point average and has been a member of a varsity, junior varsity, or "B" squad (sophomore) athletic or fine arts team. The grade point average for each student is computed from the grading period ending closest to the end of each activity season.
