

**Thanks 8th grade parents for you help with concessions.**

Times may vary and change.

Please email or call Ann Lizakowski to sign up to work.

One child and one parent are expected to work the whole time when signing up.

Mr. Fevig will be calling you 1 -4 days before your scheduled time to work to remind you of the times you need to be there.

As a general rule for boy's basketball games:

**Set-up crew** comes 1 hour before the first game starts. Your responsibilities are to perform the duties on the "setup" instruction PDF, including assembling and sanitizing the shake machine as well as getting everything else ready for the evening. You generally work until the varsity game starts.

**Main workers** come when the concession stand opens and stay until all games are finished. Main workers serve concessions and stay to help with clean up duties listed in the "cleanup" instruction PDF. Clean up should begin after the 4<sup>th</sup> quarter starts.

**Clean up crew** comes 30 minutes before varsity game starts. They help serve concessions and are the people responsible for cleanup duties listed in the "cleanup" instruction PDF. They should know how to clean and disassemble the shake machine. They generally stay until all things are cleaned up and garbage has been brought out.

**Clean up of concessions can start after the 4<sup>th</sup> quarter begins of the varsity game.**

As a general rule for girl's basketball games: there are only two groups of workers.
