

8<sup>th</sup> grade Parents,

Thanks for helping us work the Elementary Basketball tournament. Last year about 65 teams participated in this event. This tournament is hosted at 5 different sites. We provide concessions and workers at 3 of the sites. At Park, we use the concession stand area and provide everything that we provide at regular volleyball/basketball games. At Bethel Evangelical Free Church and at First Assembly of God, we sell only candy bars and pop/water/Gatorade. We may sell pizza during the noon hour, but no other hot foods are sold.

Since the tournament is two days, there is little clean up on Friday night and little set up for Saturday morning. The last group that works Friday night is responsible for straightening up the area and setting things up for the next day. Then the first shift on Saturday makes sure that things are set up and starts selling.

Depending upon where the teams come from, you can be very busy or not busy at all. The length of the tournament may also change depending upon how many teams sign up. The tournament has been done as early as 5:30 but has also lasted until 8:00. At this time, times are approximate for the tournament so they may change as we get closer to the tournament.

I will make sure that all sites have what is needed to sell for concessions.

Your responsibility is to shine God's light to others as they come to purchase snack/beverage items. If you have any further questions, please feel free to ask Mrs. Jorgenson or myself.

Thank you for your participation in this tournament and raising money for your child. The 8<sup>th</sup> graders last year made about \$2500 from selling at this event.

Miss Hoven
